

Direct Entry Application for Performance Care and Management

This sign off is to be used to record formal training towards your assessment. Training is compulsory and this form is required to be completed as part of your Recognition of Prior Experiential Learning (RPEL) direct entry application and before you apply for your Performance level assessment. It must be completed by:

- A BHS Assessor who assesses at the level, OR,
- A Performance Coach (BHSI) or Fellow (FBHS) within a BHS Approved BHSI Training Centre.

Your RPEL application will include:

- This completed document
- CV - detailing work history (including experiential learning) and competition record. It must also include evidence that you have managed a yard of minimum 20 horses for a minimum period of five years or, gained RPEL entry to the Performance Coaching and Riding units

Completion of this document does not mean that you will necessarily be successful in passing the assessment on the day.

This sign off sheet is to be completed for the following units:

- Unit 1: Care and welfare
- Unit 3: Business management skills

Please refer to the relevant unit specification and guidelines for the full details of the assessment criteria.

To gain the Performance Centre Manager qualification you will be assessed against units 1-4. We recommend you receive formal training for all these units. We would encourage at this level that you seek training from multiple trainers. This could be sought from Approved Training Centres, BHS Assessors and experts in the industry. If you need support finding appropriate training, please contact the Education team.

Direct Entry Application for Performance Care and Management
